MEMORANDUM

To: Finance Committee
From: Samuel E. Liebert, Administrative Services Director
Date: October 27, 2020
Re: **New Quad Graphics, Inc. Class B Combination License**

Background

Every year, the Village of Sussex sends out renewal letters in early May to all businesses who hold an alcohol license. Licenses expire on June 31st of every year. As you know, many businesses were and continue to be closed or operating under different circumstances due to COVID. One of the license renewals this year, Quad Graphics, did not return their renewal due to internal mail issues. When a license is not renewed, the applicant, under state law, must apply for a completely brand-new license.

Quad is requesting a Class B beer license and Class B liquor license. These are the same types of licenses that a bar or restaurant would apply for. The licenses would cover: Café and atrium of 2 story building housing office and equipment" located at N61W23044 Harry's Way.

All officers associated with this application passed a background check by the Wisconsin DOT and Wisconsin Department of Justice.

The Agent for the licenses will be Gary L. Chitwood. Mr. Chitwood has been the agent on past licenses with Quad Graphics and has passed the mandatory Responsible Beverage Serving courses, as outlined under state law.

The Village of Sussex has ten (10) combination-class B licenses and seven (7) reserve licenses. Currently, only six (6) of the ten are being utilized. Uptown Art, BistroZ and the Sussex Beer Garden license have not been renewed. If Quad Graphics is approved, seven licenses would then be active.

Highlights of the Quarter:

- ❖ The balances have decreased about \$7.5 million since the last quarter. This is due mainly to spending bond proceeds for Maple Avenue. We also had debt repayments and the August tax settlement.
- ❖ Based on the balances at quarter-end, the average yield for the quarter increased slightly from 0.2% to 0.23%.

RE: Balance of 2019 Surplus

In the spring of 2020 when the 2019 surplus was discussed, the decision was made to hold back \$300,000 in case the pandemic caused unexpected financial difficulties. At this time in the year, the projections show that this amount will not be needed to cover shortfalls in the 2020 budget so it is available for allocation.

Based on past history, any surplus is typically allocated to the Cash Capital Fund to reduce any of the cycle gaps that exist. The projected cycle gaps at year end, 2020 are as follows:

Buildings		
Public Safety Building		664,249
Public Works Garage		151,293
Park Buildings		511,375
Park Facilities		
Diamonds, Courts, etc.		574,099
Playgrounds		560,000

At this time, staff is looking for direction to allocate the \$300,000 remaining of the 2019 surplus.
