## MEMORANDUM

From: Sam Liebert, Administrative Services Director

Date: December 30, 2020

RE: Ordinance 871 to move Citizen Committee appointments terms from May 1<sup>st</sup> to April 30<sup>th</sup> to July 1<sup>st</sup> to June 30<sup>th</sup>

---

Ordinance 871 changes the appointment process for citizens to Village Board Committees.

This ordinance changes the appointment month of April to June, and the start time of the appointment to take effect on July 1 (or the first regular meeting in July).

Trustee appointments to committees will not change. The Village President will still appoint in April, and their committee appointments will take effect May 1.

Changes will apply to the following committees:

- Architectural Review Board
- Community Development Authority
- Finance & Personnel Evaluation Committee
- Park & Recreation Board
- Public Safety & Welfare Committee
- Public Works Committee
- Senior Citizen Advisory Committee
- Board of Fire Appeals

Under state law, certain committees must have their member appointments made in April and become effective on May 1. These committee appointment dates can not be changed by the village. The committees that fall under state law for their appointment process are:

- Plan Commission - §62.23
- Board of Fire Commissioners - §62.13
- Library Board - §43.54

The Board of Review, which reviews complaints after the assessment process, is made up of two village trustees and the Village Clerk. There would be no changes made to this committee.

RE: Annual update regarding Identity Theft Prevention Program

In May, 2009 the Village Board approved the Identity Theft Prevention Program for the Village and the Fire Department in accordance with the Federal Trade Commission's Red Flag Rules which went into effect in June of 2010. One of the requirements of the program is to provide the board with an annual update of its effectiveness and any identity theft incidents.

In May, 2010, the village hall staff as well as the fire department staff received training. They have also been sent an e-mail with a copy of the policy to refresh their understanding of it.

Since the last report covering 2019 no instances of identity theft have been reported.
