1. President LeDonne read aloud the Village of Sussex Arbor Day Proclamation declaring April 30, 2021 as Arbor Day in the Village of Sussex, WI.

B. There were no Public Hearings to be held.

**5. Committee Reports**

**A. Board of Fire Commissioners**

Trustee Uecker reported that the board met on April 20.

### **B. Community Development Authority**

President LeDonne reported that the CDA did not meet in April.

### **C. Park & Recreation Board**

1. Motion by Wells, seconded by LeDonne to accept the bid from Northway Fence including Alternate Item 1 in the amount of \$34,000 plus a standard 10% contingency for a total project budget of \$37,400, and to also add landscaping around the fence.

Trustee Adkins asked if the \$34,000 included the cost of additional landscaping.

Administrator Smith stated that the cost would be about \$5,000. Assistant Administrator McElroy-Anderson added that the cost for staff, in-house to install the landscaping would be about \$1,000.

Discussion was had by the board on alternative options to a fence: Separating the pickleball court and basketball court, having a shorter fence, refurbishing the old tennis courts in Village Park to a basketball or pickleball court.

Trustee Adkins asked if cost analysis had been done to repair other courts or to separate the basketball from pickleball.

Mr. Smith stated that if the fence was not acted upon this evening, and at a future point a fence was still wanted by the Village, that the project would have to be rebid and would most likely increase in cost due to steel prices rising.

Trustee Jarvis stated he was in support of tabling the item to explore other options.

Trustee Zoellick stated that adding a fence to the park would defeat the purpose and hurt the aesthetics of an open park. He would also like to hear from the basketball players. He would be in favor of tabling this item to gather additional information.

Trustee Uecker stated he is also in support of tabling this item. There are two problems: One is the joint pickleball and basketball on one court, the other reason is due to the pickleballs going into the grass and the possibility of people slipping and falling.

Motion by Adkins, seconded by Jarvis to table this item and send it back to the Park & Recreation Committee for further analysis.

Motion carried 6-1  
Wells voted Nay

2. Motion by Wells, seconded by Uecker allow the Jr. Chargers Baseball Club to move forward with the construction of two batting cages at Armory Park between Diamonds A1 and A2 and start depreciating the replacement value with the 2022 budget (\$5,000). The funding for these batting cages will be paid for by Sussex Area Service Club (\$12,325) and the Jr. Chargers Baseball Club (\$37,675) for an estimated total of \$50,000. Once construction is completed, the batting cages will become the property of the Village of Sussex.

Motion carried 7-0

Motion by LeDonne, seconded by Adkins to move up Agenda Item 7.

Motion carried 7-0

### **7. Comments from Citizens Present**

President LeDonne stated that anyone wishing to speak should state their name and address for the record. They will be allowed to speak up to three minutes.

Greg Robb of W242N6296 Oak Drive stated the basketball hoops could be taken out or moved to different ends of the court. He believes that pickleball will not go the way of tennis.

Patricia Coburn of N70W23493 Prides road stated she is with the Sussex Pickleball Advisory Group which was formed last year. It serves as a liaison between the pickleball players and village staff and to advocate for the sport. She coordinates the night time group and sees problems on the court. Not playing with a fence is a problem. There is also garbage left

behind several times at the courts. She is concerned with the damage being done to the court by kids.

Tom Johnson of N60W23728 Juniper Lane stated that he was upset that many of these questions were not asked before the courts were installed. He supports building the fence as quick as possible and not slowing down the process. He stated that additional funds should be used to add space for basketball or pickleball.

Sylvia Carlson of N57W24185 North Sycamore Circle stated that several weeks ago she and other pickleball players were harassed by a group of kids and weren't respectful.

The traffic will be one way through there for the next month with panel repairs. He also stated that the court case with Lisbon has been pushed back. 5.A.3.A. The Finance and Personnel Committee recommends approval of a temporary Class "B" Retail License for The Lion's Club for Lions Daze, in Sussex Village Park, N63W24459 Main Street (July 9-11, 2021), Agent Richard Vodicka. Please see the attached application for additional information.

5.A.4. The Finance and Personnel Committee recommends approval of a Class "B" Retail License for the SBA Operations, LLC. for the concession stand in Sussex Village Park from May 12, 2021 through October 31, 2021, Agent: Samantha May.

5.A.5. The Finance and Personnel Committee recommends approval of the 2021 1<sup>st</sup> Quarter Investment Report. Overall, the balances have decreased about \$1.4 million since the last quarter. This is due mainly to the payout of December and January tax collections offset by the February and March collections. The interest rate on the LGIP (Local Government Investment Pool) continues to decline and CD rates have been below the money market rates. Based on the balances at quarter-end, the average yield for the quarter remains stable at 0.15%. Please see the attached Investment Report for additional information.

5.A.6. The Finance and Personnel Committee recommends approval of an Operator License for Stephanie Whipple, subject to the standard conditions for operator license approval.

5.B.1. The Public Works Committee recommends approval of bills for payment in the amount of \$142,154.91. Please see the enclosed disbursement summary for additional information.

5.B.A. The Public Works Committee recommends to award the design contract for the Main Street water main extension to The Sigma Group for a total cost of \$36,597 which includes a 10% contingency. The project consists of extending a 12" water main along the north side of CTH VV / Silver Spring Drive from STH 164 westerly +/- 1,500 feet. The water main will be connected to the existing water main in the northwest corner of CTH VV and STH 164 on the east and the proposed water main to Vista Run subdivision on the west. Please see the attached memo from the Village Engineer for additional information.

9.A. Staff recommends approval of the Developer's Agreement for Vista Run. This is the first amendment for the Development and changes the agreement in two ways: 1. It allows the Developer a one-year gap after the first two phases in case demand slows and they have inventory before building the third portion of infrastructure. 2. It clarifies that the Village is buying the park land for a fair value based upon the final design therefore ensuring the Village will collect the full value of Park Impact Fees providing over \$500,000 to the Village for park improvements at that park and throughout the system.

12. Consideration and possible action on a motion to convene into executive session under 19.85(1)(e) when deliberating or negotiating the purchasing of public properties, the investing of public funds, or conducting other specified public business, whenever competitive or bargaining reasons require a closed session with respect to an offer and agreement about water service between the Village of Sussex and Town of Lisbon.

[Roll call vote is required]

13. Consideration and possible action on items requiring action arising out of the executive session.

14. Adjournment

## MEMORANDUM

To: Public Works Committee  
From: Judith A. Neu, Village Engineer  
Date: April 29, 2021  
Re: **CTH VV Water Main Extension – Design Services Proposals**

Design Service Proposals for the CTH VV Water Main Extension were received and opened on April 19, 2021. Eight (8) proposals were received and are summarized below. A committee of Village Staff consisting of Judith Neu, Dennis Wolf, and Jon Baumann reviewed and ranked the proposals. Cost proposals were then opened and final points tallied. As a result, Village Staff recommends that the Village enter into contract with **The Sigma Group** to complete the design services for this project.

<i>Consultant</i>	<i>Rating Points Average</i> (up to 30 points)	<i>Cost Points</i> (up to 70)	<i>Total Points</i>	<i>Final Ranking</i> (1-8)	<i>Proposal Cost</i>
<b>The Sigma Group</b>	<b>21.3</b>	<b>70</b>	<b>91.3</b>	<b>1</b>	<b>\$33,270.00</b>
<b>raSmith</b>	<b>23</b>	<b>62</b>	<b>85</b>	<b>2</b>	<b>\$34,412.00</b>
<b>Kapur &amp; Associates</b>	<b>17</b>	<b>67</b>	<b>84</b>	<b>3</b>	<b>\$33,516.00</b>
<b>Baxter &amp; Woodman</b>	<b>17.7</b>	<b>55</b>	<b>72.7</b>	<b>4</b>	<b>\$36,336.00</b>
<b>Cedar Corporation</b>	<b>15</b>	<b>55</b>	<b>70</b>	<b>5</b>	<b>\$36,325.00</b>
<b>Applied Technologies</b>	<b>17.3</b>	<b>47</b>	<b>64.3</b>	<b>6</b>	<b>\$38,420.00</b>
<b>Ruekert   Mielke</b>	<b>21</b>	<b>40</b>	<b>61</b>	<b>7</b>	<b>\$40,450.00</b>
<b>Ayres Associates</b>	<b>18</b>	<b>0</b>	<b>18</b>	<b>8</b>	<b>\$50,395.26</b>

The costs listed are “Not to Exceed” costs, so the consultant will be paid for time and materials used in the design process up to the amount listed, if the project scope does not change. However, if there is a justifiable change in scope, additional charges could be approved. Staff recommends that the Village enter into contract with **The Sigma Group** to complete the design services for this project in the amount of **\$33,270.00**.

The project consists of extending a 12” water main along the north side of CTH VV / Silver Spring Drive from STH 164 westerly +/- 1,500 feet. The water main will be connected to the existing water main in the northwest corner of CTH VV and STH 164 on the east and the proposed water main to Vista Run subdivision on the west. It will provide looping (a second source of water) for the water main in Vista Run, service to properties along the north side of CTH VV that will come into the Village in the future per the 2020 Boundary Agreement, and provide more reliable service to the commercial properties along STH 164 near CTH VV by looping through the Vista Run subdivision. The project will be ready to bid by December 1, 2021.

The consultant’s work includes survey and water main design, soil and rock borings, wetland delineation, permitting, utility coordination, easement preparation, erosion control and traffic control plan preparation, contract and specification preparation, and bidding services. The designers will also attend the preconstruction meeting.

Staff requests that a standard 10% contingency be included services for a total allocation of **\$36,597.00** for the design of the CTH VV Water Main Design project.

WHEREAS, pursuant to Section XVII Miscellaneous Requirements item X the park (Outlot 1) was originally going to be dedicated to the Village, but based upon final Development plans that benefit both the Developer and the Village, the Developer will be utilizing a portion of the park (Outlot 1) for rear yard overland flow for stormwater purposes and greatly benefits from having lots about this green space and a park that the Village intends to develop and the Developer will be doing some grading work to provide for access to the park and stormwater flow; and

NOW, THEREFORE, in consideration of the terms of the Developer's Agreement and this First Amendment, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, VILLAGE and DEVELOPER agree as follows:

1. Developer's Agreement SECTION I. IMPROVEMENTS item 4 is hereby repealed and recreated to read as follows:

4. The first lift of asphalt on the public streets and the sidewalk of the Development shall follow the phasing plan, attached as Exhibit J and be completed and presented to the VILLAGE Board no later than as follows below in this section, or as extended by the VILLAGE Board.

- A. Phase 1 November 1, 2021
- B. Phase 2 November 1, 2022

DEVELOPER shall perform grading per the adopted grading plan to provide access to the park from the street(s) and other grading in the park per the grading plan no later than November 1, 2023, but VILLAGE will complete Park improvements. VILLAGE agrees to grant DEVELOPER temporary easements to perform necessary work on Outlot 1, if VILLAGE owns land and DEVELOPER has not yet completed the work required by this Agreement. All Park Impact Fees from lots/units in the DEVELOPMENT shall be collected by the VILLAGE.

IN WITNESS WHEREOF, the DEVELOPER and the VILLAGE have caused this agreement to be signed by their appropriate officers and their corporate seals (if any) to be hereunto affixed in three original counterparts the day and year first above written.
