Dear All

Here is more information where the alcohol sold and store in the Store

As you know Sussex Convenience Inc is operating the business in about 2800 SQ Ft building made with concrete and block located at N62 W 23456 Silver Spring Dr Sussex WI 53089. As a new operator of convenience store with gas station in Sussex , we always try to give the best services to our valued customers. As per request of the many customers we are thinking to sell alcohol products to the customers of legal ages after getting the permit from the village of Sussex. As a responsible business operator , we always aware not to sell the alcohol product to the underage customers. And as per the requirement of the village to sell the alcohol, we made a separate liquor room of about 17 ft x 9 ft along with the locking inside building near by the cash counter to display and store the liquor and wine.

In the same way we are going to use our existing 4 doors cooler to display and store the beer. If we need more room in future, we have extra room in walking cooler.

If you need further more We will be more happy.

Thanks

Biahnu Adhikari

MEMORANDUM

To: Village Board & Finance Committee
From: Sam Liebert, Administrative Services Director
Re: Village Trustee by Numbered Seats
Date: September 21, 2021

Every ten years, the United States goes through the census process to determine our nation's current population. With every new census comes redistricting. Below is the timeline for the current redistricting process. Keep in mind, due to the Census being late this year, the state is in a 'crunched' timeline to approve maps as soon as possible. November 23 is the ultimate deadline in the process, as that is when municipal clerks must publish Type A notices for elected offices for the April 2022 General Election.

Redistricting Timeline:

August 16 – Census data transmitted and counties begin drafting district map

August 19 – Tentative map complete and available for public review

September 13, 8:30 a.m. – Waukesha County Executive Committee's public hearing on the tentative map. Executive Committee approved Version 2 unanimously

September 14, 7 p.m. – County Board voted on the tentative map and the map is transmitted to municipalities to develop their ward plan

After receiving the tentative supervisory district plan, municipalities have 60 days to adjust ward boundaries. (Wis. Stat. § 5.15 (1) (b))

October 5, 6:30 p.m. – Finance & Personnel Committee to review and vote upon Municipal Map and make recommendation to the Village Board for final approval.

October 12, 6:00 p.m. – Sussex Village Board reviews map recommendation from the Finance & Personnel committee and act to send final map back to Waukesha County.

October 18 – Municipalities transmit ward plan back to counties

Within 60 days after every municipality in a county adjusts its wards, the county board is required to conduct a second public hearing after which it adopts a final supervisory district plan and numbers each supervisory district. (Wis. Stat. § 59.10 (3) (b) 2.)

November 8, 8:30 a.m. – Waukesha County Executive Committee's public hearing on final map

November 9, 9 a.m. – County Board adopts final map (same day as budget adoption)

November 23 – Clerks publish Type A notice for spring election

December 1 – Nomination papers circulated for spring primary

January 4, 2022 – Deadline for filing nomination papers for spring primary

February 15, 2022 – Spring primary

April 5, 2022 – Spring election

Wards: The Building Blocks of Election Districts

- Governed by section 5.15 of the Wisconsin Statutes
- Building blocks from which all election districts are created
- Intended to be as permanent as possible
- Referred to by the Census Bureau as “voting districts”
- Not election districts—not subject to equal population requirements
- Required for municipalities with a population of at least 1,000
- Under 1,000, may, but not required to divide into wards

Rules for Creating Wards (Wis. Stat. § 5.15)

Wards must:

- Be comprised of whole census blocks, subject to exceptions.
- To suit the convenience of the voters, be kept compact and observe the community of interest of existing neighborhoods and other settlements.
- Be comprised of contiguous territory.
- Comply with the population ranges specified by law, and, when created, contain a population at a convenient point within the applicable range.
- Lie entirely within one municipality and one county.
- Be designated by consecutive, unique whole numbers beginning with the number “one.”

Ward Population Ranges(Wis. Stat. §5.15 (2)(b))

Cities, Villages, or Towns:

<u>Population</u>	<u>Ward Population Range</u>
10,000 to 38,999	600 to 2,100
1,000 to 9,999	300 to 1,000
Fewer than 1,000	No division required

Adjusting Ward Boundaries (Wis. Stat. § 5.15)

Wards boundaries may require adjustment to:

- Reflect changes in population.
- Reflect changes in minority population.
- Reflect changes in municipal boundaries.
- Facilitate the establishment of county supervisory districts of equal population.
- Facilitate the creation of aldermanic districts of equal population.
- Accommodate a legislative redistricting plan. (2011 Wisconsin Act 39)

Staff Recommendation:

Presented before the Finance & Personnel Committee and Village Board is, what staff believe, to be a compact, contiguous and fair map for the Village of Sussex to utilize for the next ten years. We took into consideration potential population growth, economic development, population trends and the potential finalization of the new border agreement with the Town of Lisbon. Staff will be made available to answer any questions. Staff ask that you approve the proposed Ward Map as quickly as possible, as we have until October 18, under the county’s timeline, to submit an approved map.
