Anthony LeDonne
Village President

Jeremy Smith
Village Administrator

It is possible that members of and possibly a quorum of members of other governmental bodies of the municipality may be in attendance at the above stated meeting to gather information; no action will be taken by any governmental body at the above stated meeting other than the governmental body specifically referred to above in this notice. Upon reasonable notice, efforts will be made to accommodate the needs of disabled individuals through appropriate aids and services. For additional information or to request this service, contact Jeremy Smith at 246-5200.

DISCLAIMER- THE FOLLOWING ARE DRAFT MINUTES FROM
THE SUSSEX VILLAGE BOARD
AND ARE SUBJECT TO CHANGE UPON APPROVAL OF THE VILLAGE BOARD

**VILLAGE OF SUSSEX
SUSSEX, WISCONSIN**

**Minutes of the Village Board Meeting of
February 22, 2022**

1. Roll Call

The meeting was called to order by President LeDonne at 6:00 pm.

Members present: Greg Zoellick, Lee Uecker, President Anthony LeDonne, Ron Wells, Scott Adkins Benjamin Jarvis and Stacy Riedel.

Members excused: None.

Also present: Administrator Jeremy Smith, Attorney John Macy, Assistant Village Administrator Kelsey McElroy-Anderson, Administrative Services Director Samuel Liebert, incoming Deputy Village Clerk Jennifer Moore and members of the Public.

2. Pledge of Allegiance

President LeDonne led the pledge of allegiance.

3. Meeting Minutes

A motion by Wells, seconded by Zoellick to approve the February 8, 2022 Village Board meeting minutes as amended by the village clerk. Motion carried 7-0.

4. Communications and Public Hearings

A. Village President Report

President LeDonne reported that on Tuesday, March 1st, the Public Works meets at 6:00 p.m. in the Civic Center Board Room and the Finance & Personnel Evaluation meets at 6:30 p.m. in the Civic Center Board Room. On Wednesday, February 16th, the Architectural Review Board meets from 4-5 p.m. in the Civic Center Committee Room.

5. Committee Reports

A. Board of Fire Commissioners Report

Trustee Uecker reported that the board did not meet this month. There is no meeting scheduled for March.

B. Community Development Authority

Trustee Adkins reported that the CDA did not meet this month.

C. Park & Recreation Board Report

1. A motion by Wells, seconded by Adkins to approve the Lisbon Central Cemetery Mowing Contract with Al Moros for 2022. Motion carried 7-0.

2. A motion by Wells, seconded by Uecker to approve the purchase of the Case 75A Tractor, not to exceed \$46,000.00. Motion carried 7-0.

3. A motion by Wells, seconded by Zoellick to approve the new Tournament Rain Date Policy, as presented. Motion carried 7-0.

4. A motion by Wells, seconded by Zoellick to approve the Summer Farmers Market for 2022 and potential Winter Market 2022-23, as presented. Motion carried 7-0.

D. Pauline Haass Library Board Report

Trustee Zoellick reported that the year started off strong at the library with 6,505 visits to the library and 71 new library cards issued. 26,703 items were checked out in January, a 27% increase from last year. 97 people used individual study rooms and 35 groups used the meeting rooms.

Storytime is going on 3 days a week; Tuesday, Wednesday, and Thursday. Many other programs are going on at this time. At Harry Potter Book Night on February 3, more than 200 attendees showed up to make their own wands, play Quidditch, mix up potions, and more.

Youth Art Month is coming up; throughout the month of March, artwork created by students in the Hamilton School District will be on display throughout the library. The Art Reception will be Thursday, March 4 from 4:00-6:00; stop in to meet the teachers and appreciate the art with students and their families.

The Space Needs and Facility Study is wrapping up with a community wide survey to get more feedback on library services and potential space uses and designs. The survey is open now and is available online; visit the library website to find it. Paper copies are also available at the library.

E. Plan Commission Report

1. A motion by Zoellick, seconded by Uecker to approve the Final Plat for Sussex Preserve Addition No. 5 (Peppertree Drive) subject to the standard conditions of Plat approval, meeting all comments and conditions of the Village Engineer, compliance with the Developer's Agreement, payment of all fees and subject to the standard conditions of Exhibit A. Motion carried 7-0.

F. Public Safety and Welfare Report

Trustee Wells stated that the committee did not meet this month.

6. Staff Reports

Ms. McElroy-Anderson thanked our Public Works' employees and their handling of the snow and ice. She gave an update on snow and salting operations. The village is hiring seasonal summer help and encourages the public to apply.

Mr. Smith reported that the new Deputy Clerk was in the audience this evening, Jennifer Moore. She comes to us from the Waukesha County Clerk's office and before that was the Clerk in Oconomowoc Lake. We're glad to have her on board and joining the team. The Town of Lisbon Public Hearing will be held at their Fire Station on March 17th, this hearing is being held by the Department of Administration. The art gallery at the library is a great event to attend and all should attend. We did cancel our recreation programs today, as we follow the lead of the school district. There are some bills circulating at the State Capitol that staff are monitoring.

Mr. Macy stated he had nothing to report.

Mr. Liebert stated tonight was his last meeting. He has accepted a new position with another community. He thanked his staff, the Village Board, Kelsey, John and Jeremy for the opportunity to work for Sussex.

7. Comments from Citizens Present

No one was present who wished to be heard.

8. Old Business

There was no old business to consider.

9. New Business

There was no new business to consider.

10. Consideration on resignation and appointments

There were none.

11. Adjournment

A motion by Adkins, seconded by Zoellick to Adjourn at 6:21 pm.

Motion carried 7-0.

Respectfully submitted,

Samuel Liebert
Administrative Services Director, Clerk/Treasurer

LAKE COUNTRY MUNICIPAL COURT MUNICIPALITIES

Re: LAKE COUNTRY MUNICIPAL COURT
ANNUAL STATE OF THE COURT 2020

Dear Sir / Madam:

Please accept this letter as the Annual State of the Court for our Lake Country Municipal Court 2021 Year in Review.

As always, the court staff will be contacting each municipality to determine whether the municipality would like the Judge to appear before their respective Boards and provide further information as an annual update. I enjoy the opportunity to appear before your Board. I would appreciate if your Clerk could contact my Chief Clerk, Terri Berlin, or a member of her staff, at 262 569 0920, or my office staff, Kit or Shannon, at 262-784-7110 in order to schedule an appearance. Otherwise, please feel free to re-print copies of this Annual Report and provide the copies to your Trustees, Supervisors or Alderman.

1. LCMC BUDGET.

The Budget was approved at the Annual Administrative Committee meeting in November 2021. We have recovered from COVID! Therefore our municipal ticket volume has resumed to normal ticket levels. Fortunately we ended up for year end with a surplus of \$11,556.42. Initially the budget projected an expected loss of \$45,169.42.

Honorable Timothy T. Kay proudly serving the following municipalities:

*City of Oconomowoc, Town of Delafield, Town of Erin, Town of Ixonia, Town of Lisbon, Town of Merton,
Town of Oconomowoc, Town of Ottawa, Town of Sullivan, Village of Chenequa, Village of Dousman,
Village of Hartland, Village of Johnson Creek, Village of Lac La Belle, Village of Merton, Village of Nashotah,
Village of Oconomowoc Lake, Village of Sullivan, Village of Summit, Village of Sussex*

This surplus is the result of an increase in the number of citation post-COVID, but most importantly the decrease in employee payroll expenses and decrease in employee health insurance expenses as a result of replacing and modifying my clerks' scheduled hours from two full-time clerks and two part-time clerk to one full-time clerk and three part-time clerks which will be discussed later in this report.

Again, there will be no cost to member municipalities to participate. All of our costs are covered by the Court's share of citation collections.

2. NEW COURTHOUSE.

As referenced last year, the new facilities are marvelous. We have fully moved in and completed all of the audio / visual connections. The new office / chambers has proved to be very effective for juvenile court appearances. The clerks have excellent workspace and enjoy the new breakroom.

3. BAILIFFS.

A big shout-out to all of our bailiffs, who do an excellent job overseeing the court operations and ensuring the staff's safety. They are City Officer Chief James Schyler, City Officer Jerry Kleepin, Waukesha County Deputy Adam Rhode, Waukesha County Lt. Corey Carell, and Waukesha County Capt. Michelle Loeffler.

4. COURT STAFF.

As you are aware, Clerk Theresa Berlin was promoted to our Clerk of Courts. As referenced last year, I retained Dawn Kirley as our part-time Deputy Clerk of Court. Kathy Pedri and Elaine Lynott remained as part-time clerks. I can report that all of the clerks work very well together during this transition year.

*Honorable Timothy T. Kay proudly serving the following municipalities:
City of Oconomowoc, Town of Delafield, Town of Erin, Town of Ixonia, Town of Lisbon, Town of Merton,
Town of Oconomowoc, Town of Ottawa, Town of Sullivan, Village of Chenequa, Village of Dousman,
Village of Hartland, Village of Johnson Creek, Village of Lac La Belle, Village of Merton, Village of Nashotah,
Village of Oconomowoc Lake, Village of Sullivan, Village of Summit, Village of Sussex*

As a result of maintaining the Deputy Clerk in a part-time status, the Court has saved expenses as compared to the Deputy Clerk being a full-time position. Part-time status does not require the Court to pay for health insurance. As a result of our changes, the Court has been able to reduce health care premiums for three individuals; again, resulting in substantial reduction in Court expenses.

The savings has resulted in a surplus and essentially is passed on to each of the 20 municipalities.

5. ADMINISTRATIVE CHANGES.

As you are aware, Atty. Bill Chapman passed away during the past year. He was always a mentor and one of the original architects of our Lake Country Municipal Court. Without Bill Chapman's guidance and insight, I firmly believe that our Municipal Court would not have been able to consolidate so many municipalities in its early years, which formed the foundation and basis for our Court. Under Bill's guidance and direction, we were allowed to expand to our twenty current members.

Donald Wiemer has now assumed the role of Bill Chapman as Administrator. He continues to provide excellent guidance for our Court and for the Administrative Committee, as well as the Operations Committee.

I would also like to thank the Police Chiefs who participate in our monthly Operations Committee meeting. They are Capt. Lisa Panas, Chief James Pfister, Chief Michael Hartert, Chief Torin Misko, and Chief Daniel R. Neumer. We meet monthly and double check expenses and budget items so that we are allowed to continue in an efficient basis.

6. IN CONCLUSION.

Lake Country Municipal Court remains the largest Joint Municipal Court in the State. We have an excellent rapport with those defendants who appear before Judge Kay.

I always enjoy drafting this Annual State of the Court newsletter and hopefully will have an opportunity to appear before your respective Boards. I would appreciate if you could have your Clerks distribute copies of this report and attachments to all other elected

Honorable Timothy T. Kay proudly serving the following municipalities:
City of Oconomowoc, Town of Delafield, Town of Erin, Town of Ixonia, Town of Lisbon, Town of Merton,
Town of Oconomowoc, Town of Ottawa, Town of Sullivan, Village of Chenequa, Village of Dousman,
Village of Hartland, Village of Johnson Creek, Village of Lac La Belle, Village of Merton, Village of Nashotah,
Village of Oconomowoc Lake, Village of Sullivan, Village of Summit, Village of Sussex

officials, including aldermen, supervisors, and trustees, as well as police chiefs and police personnel.

This is my third term serving the Lake Country Municipal Community, consisting of 20 municipalities. There are over 100,000 people that reside within our Municipal Court region which spans over three counties: Waukesha, Jefferson and Washington.

Thank you for your attention to this Report. I look forward to meeting with your various Boards should you have any questions.

Very truly yours,

LAKE COUNTRY MUNICIPAL COURT

Hon. Timothy T. Kay
Municipal Judge

TTK/kfa

pc Clerk Theresa Berlin
LCMC Chiefs and Administrators
LCMC Municipal Clerks
LCMC Prosecutors

Honorable Timothy T. Kay proudly serving the following municipalities:
City of Oconomowoc, Town of Delafield, Town of Erin, Town of Ixonia, Town of Lisbon, Town of Merton,
Town of Oconomowoc, Town of Ottawa, Town of Sullivan, Village of Chenequa, Village of Dousman,
Village of Hartland, Village of Johnson Creek, Village of Lac La Belle, Village of Merton, Village of Nashotah,
Village of Oconomowoc Lake, Village of Sullivan, Village of Summit, Village of Sussex

For example, a \$50 dollar ***fine*** plus costs mandated by statute totals a \$124 ***forfeiture***.

Fine	State	County	LCMC	Total forfeiture
\$50	\$31	\$10	\$33	\$124

All ***fine*** dollars are returned in full to the 18 municipal members; i.e. no costs to the taxpayers.

MEMORANDUM

To: Village Board
From: Jeremy Smith, Village Administrator
Re: Village Board Meeting- March 8, 2022
Date: March 1, 2022

4.A. Village President Report- report on meetings attending and upcoming communications, and recognitions including Successfully Sussex Awards.

5.A.1. The Finance and Personnel Committee recommends approval of the February Check Register and P-card Statement in the amount of \$4,952,963.74. Please see the disbursement summary and registers for additional information.

5.A.2. The Finance and Personnel Committee recommends approval of the February Ace Hardware purchases in the amount of \$626.14. Please see the disbursement summary for additional information.

5.A.3. The Finance and Personnel Committee recommends approval of the Change of Agent for Kwik Trip #1124 Highlands Drive. Kwik Trip has changed their manager for the store and thus is changing their agent for the liquor license. There were no concerns with the background. Please see the application for more information.

5.A.4. The Finance and Personnel Committee recommends approval of the Class B License for the sale of Fermented Malt Beverages for Sussex Cardinals at the Hardball Field at Village Park May 1, 2022-September 30, 2022, Agent Scott Wesline. This is an annual request and there have been no substantial concerns in the years past. Please see the application for more information.

5.A.5. The Finance and Personnel Committee recommends approval of the Class B License for the sale of Fermented Malt Beverages and Intoxicating Liquors for the Kitchen N64W23316 Main Street April 1, 2022-June 30, 2022, President Gabriel J. Kolesari. The restaurant is requesting a liquor license for the first time with the new ownership. It is the last regular Class B license available, but there are many reserve licenses available. Please see the application for more information.

5.A.6. The Finance and Personnel Committee recommends approval of Resolution 22-06 Amending the 2022 Budget and Debt Service Budget, with respect to defeasing approximately \$1.2 million of callable general fund debt. The Village Board in December of 2021 authorized defeasing \$1.2 million of callable G.O. debt in 2022. This was discussed as part of the 2022 budget process, but finalized after the 2022 budget was completed so the Village needs to amend the budget to show this transaction. In addition, the Ambulance and Plow Truck that were approved and ordered as part of the 2021 budget did not arrive until the first part of 2022

due to supply chain issues so this budget amendment adjusts for the carryover from 2021 to 2022. The Village is using cash on hand to pay off the debt. Please see the memo from Finance Director Nancy Whalen and the Resolution for more information.

5.B.1. The Public Works Committee recommends approval of bills for payment in the amount of \$4,621.40. Please see the disbursement summary for additional information.

5.B.2. The Public Works Committee recommends approval of the contract with Ruekert and Mielke for Water Model update in the amount of \$32,700. No contingency funds are needed for the water modeling. These costs were included in the Water Utility budget for 2022. The update is necessary as the Village has removed wells 1, 2, and 3 from the system and has radium treatment on Wells 4, 5, and 8. The modeling allows the Village to manage water flow and pressures across the system which is critical for development and firefighting. Please see the attached memo from Village Public Works Director/Engineer, Judith Neu, and the quote from R&M for additional information.

5.B.3. The Public Works Committee recommends approval of the contract with Graef-USA for 2023 Road program design in the amount of \$34,400 and with Green Bay Pipe and TV for video inspection services in the amount of \$93,002.50 for a total of \$127,402.50 with a 10% contingency for a total allocation of \$140,142.75. The Village had 7 bidders for the design and 4 bidders on the cleaning and televising. The estimate for this work (typically 5% of construction estimate) was \$266,000 for this work so the design is well under budget at this point. Please see the attached memo from Village Public Works Director/Engineer, Judith Neu for additional information.

MEMORANDUM

To: Village Board & Finance Committee
From: Sam Liebert, Administrative Services Director
Re: Appointment of Agent
Date: February 8, 2022

Kwik Trip has hired a new manager, Michael Barnes, and therefore need to appoint him as the new Agent to their Class A Beer and Liquor Licenses. The agent is the person responsible for ordering alcohol and is ultimately responsible for the license.

Under state law, the new Agent can act in this capacity until approved or denied by the Village Board. Mr. Barnes also has an active Operator (Bartender) License with the village in good standing.

After a background check was completed by staff, staff recommend approving Michael R. Barnes as the new Agent for Kwik Trip #1124 and order the Village Clerk to issue an updated license reflecting this change.

Sussex, WI 53089-3120

RE : Appointment of Agent
Kwik Trip 1124
W250 N5279 Business Dr.

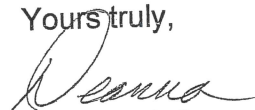

Dear Village Clerk:

A new manager, Michael Barnes, has been assigned as the new manager of Kwik Trip 1124. Therefore, we would like to appoint Michael as the agent of the store.

Enclosed please find the completed Appointment of Agent and Auxiliary Questionnaire forms and the \$10.00 payment for the administrative fee. I respectfully request that you include this item on the agenda of your Village Council meeting for consideration.

Please contact me if you require anything further at 608-793-6262 or DHafner@kwiktrip.com. Thank you in advance for your assistance with this matter.

Yours truly,

Deanna Hafner
Licensing Agent

Enclosures

Schedule for Appointment of Agent by Corporation / Nonprofit Organization or Limited Liability Company

Submit to municipal clerk.

All corporations/organizations or limited liability companies applying for a license to sell fermented malt beverages and/or intoxicating liquor must appoint an agent. RE: 2022 Budget Amendment

At the time the 2022 budget was set and approved for the public hearing, the Board had not approved the call of \$1,200,000 of debt (the 2013 G.O. Bonds) so it had not been included in the General Fund or Debt Service budgets for 2022. The attached General Fund budget amendment addresses the call showing funds coming from the General Fund working capital fund balance (\$900,000) and portion of the 2022 budget for road depreciation (\$200,000). The Debt Service Fund amendment shows \$1,100,000 coming from the General Fund with the remaining \$100,000 coming from the Debt Service Fund balance. The total of \$1,200,000 covers the addition to the expenditure line item for principal repayment.

In addition, due to delays in production, the ambulance and plow truck that had been included in the 2021 budget were not received in 2021. For proper accounting, the expenses need to be recorded in 2022. Because the funds had been budgeted in 2021 but remained unspent, they were transferred to the Cash Capital Fund for those specific purchases. The budget amendment shows the expense of these two vehicles with offsetting revenue coming from the Cash Capital Fund to pay for them.

RESOLUTION #22-_____

WHEREAS: The Village of Sussex adopted its 2022 General Fund Budget on November 23, 2021; and

WHEREAS: The Village of Sussex adopted its 2022 Debt Service Fund Budget on November 23, 2021; and

WHEREAS: The Village has received revenues and incurred expenditures which were not anticipated at that time; and

WHEREAS: The Village finds it necessary to amend its 2022 General Fund and Debt Service Budgets.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village of Sussex, Waukesha County, Wisconsin, that:

1. The following line items in the 2022 General Fund Budget - Revenues and Expenditures are amended to read as listed on Exhibit "A" under the revenue and expenditures categories required by law.
2. The following line items in the 2022 Debt Service Fund Budget are amended to read as listed in Exhibit "B" under the revenue and expenditure categories required by law.
3. The Clerk-Treasurer is hereby directed to post a notice of the changes on the Village website as provided in Section 65.90(5)(a) Wis. Stats.

Adopted this ____ day of _____, 2022.

Village President

MEMORANDUM

To: Public Works Committee
From: Judith A. Neu, Village Engineer
Date: February 23, 2022
Re: Water Model Update Contract Award

Staff recommends entering into the attached contract with Ruckert|Mielke to complete a major update to our water distribution system model in a new software system. The model is an integral part of the information available to staff thru our GIS system which is housed at, and maintained by, Ruckert|Mielke. We choose Ruckert|Mielke for the water modeling to ensure that the information would be compatible with and easily integrated into our GIS system.

Our current water model was created by Ruckert|Mielke and was last updated in 2016. Advances in software make it necessary to set up a completely new model of our system. Our current model does not reflect the major water system improvements installed for radium treatment, nor does it reflect the new well #8 or removal of wells 1, 2 and 3. There has also been significant growth in the Village since 2016 along with changes in water use throughout the system that is not reflected in the current model.

One of the stated goals in the Strategic Plan is to monitor our water system to ensure adequate flow and pressure for future growth. Having an accurate and up to date water distribution model is one piece of the puzzle that helps us to understand the working pressures, and the flows available throughout the system under various scenarios, including average and peak day demands. It further helps us to understand how those flow rates and pressures change over time based on various pumping scenarios and will allow us to have Ruckert|Mielke run various “what if” scenarios if needed in the future to help us to continue to meet this goal as the water distribution system changes. Moving forward, we intend to have the model updated every 1-3 years depending on distribution system changes on the infrastructure and user sides. The cost of these maintenance updates will be significantly less than this major update.

Staff recommends approving the attached contract with Ruckert|Mielke for the water model update, including all phases listed in the proposal, for a total cost of \$32,700. We do not anticipate the need for contingency funding. The Village Board authorized \$32,000 in the 2022 budget for this project.

February 22, 2022

Mrs. Judith Neu, P. E.
Village Engineer/Director of Public Works
Village of Sussex
N64 W23760 Main Street
Sussex, WI 53089

Re: Water Distribution System Model Creation

Dear Ms. Neu:

Based on our recent conversations, it is our understanding that the Village would like to update their existing hydraulic water distribution system model. We understand the Village will perform flow testing in the spring of 2022. R/M will provide assistance to the Village as needed during your spring flow testing on a time and expense basis based on the attached standard rates.

The reliability of the model is dependent on the accuracy of the infrastructure and water demands used to create the model as well as the accuracy of the information used to calibrate the model. The level of effort required to update the model is based on the accuracy the Village would like to obtain with the model. The following are itemized budgetary costs for updating the water system model. The total budgetary costs will be dependent on which options the Village selects.

To update the Village's water distribution system model, R/M is purposing that the following work be performed:

Phase 1 –Create Hydraulic Model

R/M's existing hydraulic water model of the Village of Sussex's water system was last updated in 2013 and 2016 using InfoWater Software. Currently, R/M uses Bentley WaterGEMS CONNECT for hydraulic water system modeling. In Phase 1, a hydraulic model will be created using the new software and the infrastructure in the model will be updated based on current GIS data.

Updates to the model will include the following:

- Add water mains to the model based on current GIS information.
- Add valves and hydrants based on current GIS information.
- Add elevated storage tank facilities based on current GIS information and hydraulic grade information provided by the Village.
- Assign elevations to modeled elements using current topology data if elevation data is not present in GIS information.
- Run the model to verify operation and to compare the model output to expected results.

We will perform the above work for a lump sum fee of \$7,200.00. We propose to complete this phase by September 30, 2022.

Phase 2 – Demand Allocation

This phase includes updating demands into the model. Water demands can be applied based on several methods. The method for updating water demands being proposed is either allocating demands based

on the top 10 water users and assuming uniform distribution throughout the model for the remaining demand or allocating demands based on current billing records.

Allocating demands based on the top 10 water users and assuming uniform distribution throughout the model for the remaining demand is the least accurate method. In reality, water demands can vary depending on location and land use. The demands used in this method would be based on annual pumping records obtained from the Wisconsin Public Service Commission (WPSC) and top user information provided by the Village.

We will perform the above work for a lump sum fee of \$1,800.00.

Or

Customer consumption records taken from the Village's billing software will be used to assign demands throughout the system. This improves the accuracy of predicted flows far beyond that of globally allocated demands. Prior to completing the work, we will need to review the reports available from the Village's billing software to determine how and/if this data can be incorporated into the model.

If requested by the Village, we will complete this work for a total lump sum fee of \$5,100.00. We propose to complete this phase by September 30, 2022.

Phase 3 – Model Calibration

To ensure the models accuracy, it is recommended that all models be calibrated based on field testing. Once the model is created and demands are allocated, the model will be calibrated to static system conditions by comparison to flow tests performed by the Village. R/M will provide 20 flow and pressure test locations and forms to fill out with the required information during field testing.

We will perform the above work for a lump sum fee of \$7,700.00. We propose to complete this phase by September 30, 2022.

It is possible that the field test results will not match the model results due to inaccurate field tests or because of valves in the system are inadvertently closed or partially closed. If needed, additional flow testing coordination and model calibration would be performed on a time and expense basis. If additional flow and pressure testing is required, it will be completed by the Village in October 2022. If this is the case, we propose to extend the deadline for this phase to complete the calibration by October 31, 2022.

Phase 4 – Update Operating Scenarios

This phase includes updating average day demand and maximum day demand operating scenarios in the model to generate system pressures and available fire flows under these conditions. Updated available fire flow and system pressure data will also be published to the Village's GIS site to replace existing model data.

We will perform the above work for a lump sum fee of \$2,100.00. We propose to complete this phase by September 30, 2022. If the calibration is delayed due to additional required flow testing, we will complete this phase by October 31, 2022.

Optional Phase 5 – Perform an Extended Period Simulation

An extended period simulation is a dynamic analysis of the water distribution system that helps provide insight on whether or not adequate flow rates and pressures are maintained over time throughout the distribution system. To complete this phase the following tasks would be performed:

- Obtain relevant information from the Village needed to perform the extended period simulation including pump information, well information, treatment system information, SCADA information and operation sequencing, etc.
- Obtain information on and add water supply facilities to model.
- Develop time of day demand curve (if sufficient information exists).
- Perform extended period simulation using the new model.

R/M will review information listed above provided by the Village to determine if an extended period simulation can be developed. If additional work is needed to obtain information necessary to develop the extended period simulation outside of what is provided by the Village, this will be completed on a time and materials basis.

We will perform this task for a lump sum fee of \$10,600.00. We propose to complete this phase by December 31, 2022.

The above-described professional services will be provided to you in accordance with the attached three-page **Standard Terms & Conditions** dated May 6, 2016, which are made part of this proposal by reference. Please indicate your acceptance of this agreement by having the appropriate authorized official(s) affix their signature(s) where indicated and returning one fully executed copy to our office.

We appreciate this opportunity and are looking forward to working with the Village on this project. If you happen to have any questions at all, please feel free to contact me.

Respectfully,

RUEKERT & MIELKE, INC.

2022 RATE SCHEDULE – Effective 1/1/22

ENGINEERING SERVICES	RATE
Christopher L. Epstein, P.E.	\$162.00
PROFESSIONAL CONSULTING SERVICES	
Maureen A. Schneider, E.I.T.	\$145.00

A. Standards of Performance

The standard of care for all professional engineering and related services performed or furnished by Engineer under this Agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality. Engineer makes no warranties, express or implied, under this Agreement or otherwise, in connection with any services performed or furnished by Engineer.

B. Authorized Representative

With the execution of this Agreement, Engineer and Owner shall designate specific individuals to act as Engineer's and Owner's representatives with respect to the services to be performed or furnished by Engineer and duties and responsibilities of Owner under this Agreement. Such individuals shall have authority to transmit instructions, receive information, and render decisions relative to the Assignment on behalf of the respective party whom the individual represents.

C. Payments to Engineer

Invoices will be prepared in accordance with Engineer's standard invoicing practices and will be submitted to Owner by Engineer monthly, unless otherwise agreed. Invoices are due and payable within 45 days of receipt. If Owner fails to make any payment due Engineer for services and expenses within 45 days after receipt of Engineer's invoice therefore, the amounts due Engineer will be increased at the rate of 1.0% per month (or the maximum rate of interest permitted by law, if less) from said forty fifth day. In addition, Engineer may, after giving seven days written notice to Owner, suspend services under this Agreement until Engineer has been paid in full all amounts due for services, expenses, and other related charges. Hourly rates are subject to annual adjustment on a calendar year basis.

D. Ownership and Reuse of Documents

Reuse of any documents pertaining to this Agreement by Owner shall be at Owner's sole risk; and Owner agrees to indemnify, defend, and hold Engineer harmless from all claims, damages, and expenses including attorney's fees arising out of such reuse of documents by Owner or by others acting through Owner.

E. Construction Review

Engineer will observe the work as agreed to for general compliance with the construction documents. Engineer shall not at any time supervise, direct, control, or have authority over any contractor's work, nor shall Engineer have authority over or be responsible for the means, methods, techniques, sequences, or procedures of construction selected or used by any contractor, or the safety precautions and programs incident thereto, for security or safety at the Project site, nor for any failure of a contractor to comply with Laws and Regulations applicable to that contractor's furnishing and performing of its work. Engineer shall not be responsible for the acts or omissions of any contractor. Engineer has no stop work authority.

F. Environmental

Engineer assumes no liability for the detection or removal of any hazardous substances found at or adjacent to the Project site.

G. Owner Provided Information

Engineer shall have the right to rely on the accuracy of any information provided by Owner. Engineer will not review this information for accuracy.

H. Permits and Approvals

It is the responsibility of the Owner to obtain all necessary permits and approvals for the Project. Engineer will assist the Owner as mutually agreed to in writing.

I. Access

Owner shall arrange for safe access to and make all provisions for Engineer and Engineer's consultants to enter upon public and private property as required for Engineer to perform services under this Agreement.

J. Limit of Liability

To the fullest extent permitted by law, the total liability, in the aggregate, of Engineer and Engineer's officers, directors, partners, employees, agents, and consultants, or any of them to Owner and anyone claiming by, through, or under Owner, for any and all injuries, losses, damages and expenses, whatsoever arising out of, resulting from, or in any way related to this Agreement from any cause or causes including but not limited to the negligence, professional errors or omissions, strict liability or breach of contract or warranty, express or implied, of Engineer or Engineer's officers, directors, partners, employees, agents, and consultants, or any of them, shall not exceed the total amount of \$2,000,000.

K. Insurance

Engineer will maintain insurance coverage for Workers' Compensation, General Liability, Automobile Liability, Professional Liability and Excess Liability and will add the Owner, where applicable, as an additional insured. Engineer will provide certificates of insurance to Owner upon request.

L. Termination of Contract

Either party may at any time terminate this Agreement with 7 days written notice for cause in the event of substantial failure by the other party to perform in accordance with the terms hereof through no fault of the terminating party. Owner may terminate this Agreement for convenience with 30 days written notice, or the Project may be suspended by Owner with 30 days written notice. In the event of suspension or cancellation for convenience by Owner, Owner shall pay to Engineer all amounts owing to Engineer under this Agreement, for all work performed up to the effective date of notice. In such event, upon payment of any amounts properly due Engineer, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, reports or other materials related to Engineer's Services prepared by Engineer under this agreement shall be delivered to the Owner.

In the event of suspension or cancellation for cause by Owner, Engineer shall not be relieved of liability to the Owner for damages sustained by Owner, and Owner may withhold any payments to Engineer for the purpose of set off until such time as the exact amount of damages due the Owner from the Engineer is determined.

M. Indemnification and Allocation of Risk

1. To the fullest extent permitted by law, Engineer shall indemnify and hold harmless Owner, Owner's officers, directors, partners, and employees from and against costs, liability, losses, and damages (including but not limited to fees and charges of engineers, architects, attorneys, and other professionals, and court or arbitration or other dispute resolution costs) caused solely by the negligent acts, errors or omissions of Engineer or Engineer's officers, directors, partners, employees, consultants and sub-consultants in the performance of Engineer's services under this Agreement.

2. To the fullest extent permitted by law, Owner shall indemnify and hold harmless Engineer, Engineer's officers, directors, partners, employees, and consultants from and against costs, liability, losses, and damages (including but not limited to fees and charges of engineers, architects, attorneys, and other professionals, and court or arbitration or other dispute resolution costs) caused solely by the negligent acts, errors or omissions of Owner or Owner's officers, directors, partners, employees, consultants and sub-consultants with respect to this Agreement.

3. To the fullest extent permitted by law, Engineer's total liability to Owner and anyone claiming by, through, or under Owner for any injuries, losses, damages and expenses caused in part by the negligence of Engineer and in part by the negligence of Owner or any other negligent entity or individual, shall not exceed the percentage share that Engineer's negligence bears to the total negligence of Owner, Engineer, and all other negligent entities and individuals.

4. The indemnification provision of paragraph M.1. is subject to and limited by the provisions agreed to by Owner and Engineer in paragraph J. "Limit of Liability," of this Agreement.

5. Neither party will be responsible to the other for consequential damages including, but not limited to, loss of profit, loss of investment or business interruption.

N. Independent Contractor

All duties and responsibilities undertaken pursuant to this Agreement will be for the sole and exclusive benefit of Owner and Engineer and not for the benefit of any other party. Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either Owner or the Engineer. Engineer's services under this Agreement are being performed solely for the Owner's benefit, and no other entity shall have any claim against Engineer because of this Agreement or the performance or nonperformance of services hereunder.

O. Force Majure

Engineer shall not be liable for any loss or damage due to failure or delay in rendering any service called for under this Agreement resulting from any cause beyond Engineer's reasonable control.

P. Severability and Waiver of Provisions

Any provision or part of the Agreement held to be void or unenforceable under any Laws or Regulations shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Owner and Engineer, who agree that the Agreement shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision. Non-enforcement of any provision by either party shall not constitute a waiver of that provision, nor shall it affect the enforceability of that provision or of the remainder of this Agreement.

Q Dispute Resolution

Owner and Engineer agree that they shall first submit any and all unsettled claims, counterclaims, disputes, and other matters in questions between them arising out or relating to this Agreement or the breach thereof ("disputes") to mediation as a condition precedent to litigation.

R. Public Records

Engineer agrees to comply with the requirements of Wisconsin Statutes Sections 19.32 to 19.39 and Sections 19.81 to 19.98 – Wisconsin Public Records Law and Open Meetings Law.

1. Owner and Engineer recognize that applying Wisconsin public records laws to particular records requests can be difficult, in light of copyright and other confidentiality protections. To ensure that applicable laws are followed, both with regard to private rights, and with regard to public records laws, Owner and Engineer agree as follows. When Owner receives public records requests for matters that Owner believes might be proprietary or confidential information, Owner will notify Engineer of the request. Within three (3) days of such notification (subject to extension of time upon mutual written agreement), Engineer shall either provide Owner with the record that is requested, for release to the requestor; or Engineer shall advise Owner that Engineer objects to the release of the requested information, and the basis for objection. If for any reasons Owner concludes that Owner is obligated to provide a record to a requestor that is in Engineer's possession, Engineer shall provide such records to Owner immediately upon Owner's request. Engineer shall not charge for work performed under this

paragraph, except for the "actual, necessary, and direct" charge of responding to the records request, as that is defined and interpreted in Wisconsin law.

2. In addition to, and not to the exclusion or prejudice of, any provisions of this agreement or documents incorporated herein by reference Engineer shall indemnify and save harmless and agrees to accept tender of defense and to defend and pay any and all legal, accounting, consulting, engineering and other expenses relating to the defense of any claim asserted or imposed upon the Owner, its officers, directors, partners, employees, and consultants caused by (i) Owner's denial of a records request, based upon objections made by Engineer, or (ii) Engineer's failure to provide records to Owner upon Owner's request, or (iii) Owner's charges made to a records requestor, based upon reimbursement of costs Engineer charged to Owner in responding to a records request; or (iv) Owner's lack of timely response to a records request, following Engineer's failure to timely respond to Owner as required herein; or (v) Owner's provision of records, with the limitations of this clause being to the provision of the record itself, to the requestor that were provided to Owner by Engineer in response to a records request, not the contents of said records. Engineer's claim of proprietary rights, or any other copyright of confidentiality claims, shall be waived such that Owner may provide all requested documents, programs, data, and other records to the requestor, upon failure by Engineer to defend, indemnify or hold harmless the Owner as required herein, and/or upon judgment of a court having jurisdiction in the matter requiring release of such records. Engineer's total liability shall not exceed the limits provided under paragraph J. or paragraph M. of this Exhibit.

MEMORANDUM

To: Public Works Committee
From: Judith A. Neu, Village Engineer
Date: February 24, 2022
Re: 2023 Road Program – Design & Video Inspection Services Award

Design Service Proposals for the 2023 Road Program project were received and opened on February 15, 2021. Seven (7) proposals were received and are summarized below. A committee of the Village Staff reviewed and ranked the proposals. Cost proposals were then opened and final points tallied.

Consultant	City and State	Final Ranking (1-7)	Proposal Cost
Graef-USA	Milwaukee, WI	1	\$34,400.00
Ayres Associates	Waukesha, WI	2	\$34,744.53
Kapur, Inc.	Milwaukee, WI	3	\$57,126.00
The Sigma Group, Inc.	Milwaukee, WI	4	\$67,520.00
Baxter & Woodman, Inc.	Burlington, WI	5	\$75,245.00
raSmith	Brookfield, WI	6	\$123,255.00
M Squared Engineering, LLC	Cedarburg, WI	7	\$171,954.00

The costs listed are “Not to Exceed” costs, so the consultant will be paid for time and materials used in the design process up to the amount listed, if the project scope does not change. However, if there is a justifiable change in scope, additional charges could be approved. Staff recommends that the Village enter into contract with **Graef-USA** to complete the design services for this project, including Alternate #1 and Alternate #2 in the amount of **\$34,400.00**.

The project will include repair and/or replacement of portions of the sanitary, storm and water systems; spot repair and/or replacement of curb and gutter; repair and/or replacement of sidewalks and driveways (only as necessary); the resurfacing or replacement of roadway pavements; and, if necessary, the survey and design for the redesign of two cul de sacs to reduce their sizes; all within and around the Prides and Sussex Heights Neighborhood.

The design consultant will use the research completed by Village Staff on storm, sanitary, and water structures, pavement and curb & gutter, as the basis for the construction plan preparation. Having Staff do the research and recommendations will save taxpayers an estimated \$75,000 to \$85,000 vs. having a consultant do this work.

The consultant will complete minimal surveying and design, drafting, prepare the plans, specifications, and contract documents for the project; prepare cost estimates; obtain all necessary permits; ensure compliance with LRIP requirements; coordinate with utilities; prepare

and distribute bid documents and advertisement; and attend the preconstruction conference. The project will be ready to bid by December 14, 2022.

Video Inspection Services Proposals for the 2023 Road Program were received and opened on February 15, 2022. Four (4) proposals were received and are listed below. The project costs are based on prices per lineal foot for nearly 13 miles of sanitary and storm sewer pipe video inspections along with pipe cleaning and inspection documentation. Staff has reviewed the references and the examples of deliverables for Green Bay Pipe & TV and find them to be of good quality. As a result, Staff recommends that the Village enter into contract with **Green Bay Pipe & TV** to complete the cleaning and televising services for this project based on unit prices for an estimated total cost of **\$93,002.50**.

Televising Contractor	City, State	Total Cost
Green Bay Pipe & TV	Green Bay, WI	\$93,002.50
Visu-Sewer	Pewaukee, WI	\$108,857.50
The Expeditors	Dousman, WI	\$109,896.80
National Power Rodding	Chicago, IL	\$310,960.00

The combined contract amounts for these two proposals is **\$127,402.50**. Staff recommends that a 10% contingency (**\$12,740.25**) be included for a total allocation of **\$140,142.75** for the design and video inspection services for the 2023 Road Program project. The Village Board authorized \$266,000 in the 2022 budget for this project.
