**5. Update on “Program Coordinator – Adults Over 50” position**

Dobbeck shared that Jean Horner retired in January of this year. A program coordinator position is posted that will service adults over 50. We are looking for an innovative person to add to the team that will continue offering much of the programming we are providing now and expand programming for adults ages 50-70. We imagine this will look like more active trips, as well as new programs and educational opportunities. Currently we have 3 applicants for the flexible, 20 hour a week position and the position is open until filled.

## **6. Update on Past and Upcoming Events**

Dobbeck reported that the trivia dinner party in January was canceled due to low enrollment. However, we are looking to reschedule that party for later this year.

We held a St. Patrick's Day luncheon in conjunction with the Waukesha county meal program and Shorewest Realty last Wednesday. We had about 40 seniors in attendance and the Tom and Evan Lehey band.

Upcoming events are: Rock a Thon, Green Thumb planting event, and Concert in the Park. We hope the new coordinator will be on board and will have an active role in these events.

## **7. Park & Recreation Director's Report**

Dobbeck reported that we are really busy in the parks and Rec world. Looking to hire many summer seasonal staff for our parks, recreation and camp programming. Please encourage your friends, neighbors, etc to apply!

## **8. Village Administrator/Village President Report**

Smith shared development and restaurant updates per request of the committee.

R. Johnson asked about the Corky Curtis Trail, Smith shared that the development is not in the current CIP but may be in the next one.
