MEMORANDUM

To: Village Board
From: Jennifer Moore, Clerk/Treasurer
Re: Village Board Meeting- September 13, 2022
Date: September 8, 2022

4.A. Village President Report- report on meetings attending and upcoming communications, and recognitions including Successfully Sussex Awards.

5.A.1. The Finance and Personnel Committee recommends approval of the August Check Register and P-card Statement in the amount of \$2,843,844.11. Please see the disbursement summary and registers for additional information.

5.A.2. The Finance and Personnel Committee recommends approval of the August Ace Hardware purchases in the amount of \$532.02. Please see the disbursement summary for additional information.

5.A.3. The Finance and Personnel Committee recommends approval of an Operator's License for Harold Link.

5.A.4. The Finance and Personnel Committee recommends approval of the Class B fermented malt beverage and Reserve Class B liquor license for El Jimador Mexican Grill, LLC, Agent Antonio Leon Porras from September 13, 2022, through June 30, 2023, subject to the standard conditions of alcohol licensing approvals.

5.A.5. The Finance and Personnel Committee recommends approval of Resolution 22-08 Providing for the Sale of Approximately \$2,280,000 General Obligation Promissory Notes, Series 2022B. This sale would be for short term (5 year) promissory notes for TIF 7 to allow the increment to establish itself. Please see the report from Dave Anderson for more information.

5.B.1. The Public Works Committee recommends approval of the August invoices in the amount of \$48,771.75. Please see the bills for more information.

5.B.2. The location of the hydrant at the Courtyard at Sussex senior housing was adjusted during the final design and construction of the project so that it was no longer located in the easement. The terms of the new easement/agreement match those of the original, with a location map showing the actual location of the hydrant to be maintained. The Public Works Committee recommends approval of the Hydrant Maintenance Easement. Please see the memo from Public Works Director Judy Neu for more information.

5.B.3. The Village replacement of the 1997 New Holland Flail Mower is included in the 2022 Storm Water Utility Budget. Unprecedented price increases have occurred, and further increases are expected in October and January. \$130,000 is included in the 2022 budget and the

Stormwater Utility depreciation fund has sufficient funds to cover the additional cost of the John Deer 6110 tractor with Tiger Mowers from Proven Power, Inc. The total cost of this will be \$144,578.93. The Public Works Committee recommends approval of purchasing the John Deere 6110 tractor and Tiger mower from Proven Power Inc. for \$144,578.93 prior to the October price increase. Please see the memo from Public Works Foreman Scott Ascher for more information.

5.B.4. The Stormwater Easement from the Highlands Business Park is needed to ensure that the proposed drainage paths through the industrial section of the site are preserved as the site develops. The Public Works Committee recommends approval of the Highlands Stormwater Easement. Please see the memo from Public Works Director Judy Neu for more information.

5.B.5. The Sussex Sled Bugs Snowmobile Club, Inc. has requested use of village trails for the 2022/23 snowmobile season. These will be the same properties granted for their use in the 2021/22 season. The Public Works Committee recommends approval of the Sled Bugs use of village trails for snowmobiles during the 2022/23 winter season.

8.A. The Park and Recreation Board had recommended authorization of the use of insurance payout for the damaged playground equipment for the shade structure at the splash pad. The Village Board had asked about additional concrete surfacing. This work can be done in house for approximately \$3,500. The shade structure and installation costs of \$50,570 are covered by the insurance payout, a \$5,000 grant, and some impact fees. The \$3,500 concrete work would come from the parks budget. Please see the memo from Park and Recreation Director Halie Dobbeck for more information.

Resolution No. 22-08

RESOLUTION PROVIDING FOR THE SALE OF APPROXIMATELY
\$2,280,000 GENERAL OBLIGATION PROMISSORY NOTES, SERIES 2022B

WHEREAS, the Village of Sussex, Waukesha County, Wisconsin (the "Village") is presently in need of approximately \$2,280,000 for public purposes, including financing road, sidewalk, sanitary system, water system and stormwater system improvements in the Village's Tax Incremental District No. 7; and

WHEREAS, it is desirable to borrow said funds through the issuance of general obligation promissory notes pursuant to Section 67.12(12), Wisconsin Statutes.

NOW, THEREFORE, BE IT RESOLVED by the Village Board of the Village that:

Section 1. Issuance of Notes. The Village shall issue its General Obligation Promissory Notes, Series 2022B, in the approximate amount of \$2,280,000 (the "Notes") for the purposes above specified.

Section 2. Sale of the Notes. The Village Board hereby authorizes and directs that the Notes be offered for public sale. At a subsequent meeting, the Village Board shall consider such bids for the Notes as may have been received and take action thereon.

Section 3. Notice of Sale. The Village Clerk, in consultation with the Village's financial advisor, PFM Financial Advisors LLC ("PFM"), is hereby authorized and directed to cause the sale of the Notes to be publicized at such times and in such manner as the Village Clerk may determine and to cause copies of a complete, official Notice of Sale and other pertinent data to be forwarded to interested bidders as the Village Clerk may determine.

Section 4. Official Statement. The Village Clerk, in consultation with PFM, shall also cause an Official Statement to be prepared and distributed. The appropriate Village officials shall determine when the Official Statement is final for purposes of Securities and Exchange Commission Rule 15c2-12 and shall certify said Official Statement, such certification to constitute full authorization of such Official Statement under this resolution.

Section 5. Award of the Notes. Following receipt of bids for the Notes, the Village Board shall consider taking further action to provide the details of the Notes; to award the Notes to the lowest responsible bidder therefor; and to levy a direct annual irrevocable tax sufficient to pay the principal of and interest on the Notes as the same becomes due as required by law.

Section 6. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the Village Board or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted and recorded September 13, 2022.

MEMORANDUM

To: Public Works Committee
From: Judith A. Neu, Village Engineer
Date: August 30, 2022
Re: The Courtyard Hydrant Maintenance Agreement

In 2020, the Village entered into a Hydrant Maintenance Easement / agreement with Real Property Health for the Courtyard at Sussex senior housing at Silver Spring Drive and Hickory Drive. During the final design and construction stages of the project, the location of the hydrant was adjusted slightly such that it was no longer located in the easement. In addition, access to the hydrant in the original agreement was from Pembroke Street, which is meant to be for emergency access only. Therefore, the owner's attorney had a new easement location map created to formalize the access route from Hickory Drive and memorialize the actual location of the hydrant to be maintained. This prompted the need for a new hydrant maintenance agreement.

The Agreement terminates and replaces the former Hydrant Maintenance Easement and creates a new easement. The terms of the new easement / agreement match those of the original agreement. Staff recommends that the Committee and Board approve the Agreement.

HYDRANT MAINTENANCE EASEMENT

Document Number

Document Name

This Easement, made between Wilshire Drive Property LLC, Grantor, and the Village of Sussex, a Wisconsin Municipal Corporation, Grantee, and respective heirs, successors, and assigns. This easement hereby terminates and replaces the Hydrant Maintenance Easement on the Site recorded September 24, 2018, in the Waukesha County Register of Deeds office as Document 4362314 by and between Real Property Health, Corp., Grantor, and Village of Sussex, Grantee.

Witnesseth, That Grantor, in exchange for \$1 and other good and valuable consideration, receipt and sufficiency of which is acknowledged, grants and warrants to Grantee a permanent exclusive easement upon, within, and beneath a part of Grantor's land hereinafter referred to as the "easement area" in Waukesha County, State of Wisconsin:

Said easement area is described as a strip of land 450 feet long being a part of the following described property:

Part of CSM #11576 located in part of the Northeast 114 of the Northwest 114 of Section 26, Town 8 North, Range 19 east in the Village of Sussex, Waukesha County, Wisconsin.

The Gross area of said Parcel contains 330,039 Square Feet (or 7.5767 Acres) of land, more or less. The Net area of said Parcel after the Right-of-Way dedication of "Pembroke Street" contains 318,820 Square Feet (or 7.3191 Acres) of land, more or less.

The location and legal description of the easement area with respect to the Grantor's land is as shown on Exhibits "A" and "B" (which are attached hereto and hereby incorporated by reference).

1. Purpose: The Grantor, through its operating partner, Sussex Assisted Living LLC, has received a conditional use permit from the Grantee for the construction and operation of a senior housing development on the site shown on Exhibit "A". Said plans for the site require Grantor to install private fire hydrants necessary for the protection of the site on privately owned lands, and Grantor and Grantee desire that the Grantee perform certain inspections and maintenance functions pertaining to the Site's private fire hydrants located on private water mains. Grantee is willing to perform said inspection and maintenance functions pertaining to the Site's private fire hydrants in accordance with the terms of this easement agreement.

2. Access: Grantor shall, at all times, provide and allow the Grantee, its employees, agents, contractors, and consultants, reasonable access to the Site for purposes of conducting routine inspections, and routine and emergency repairs to the hydrants.

3. Inspection and Maintenance Service Activities: The Grantee will, from time-to-time, perform such routine maintenance, repairs, and emergency repairs on the hydrants and isolating valves located on the Site, hereinafter referred to as "Service". The frequency of inspections by the Grantee, and the repairs performed on the Site shall be consistent with the Grantee's practices pertaining to publicly owned hydrants and valves inspected and/or owned by the Grantee. Trees, bushes, branches, and roots may be trimmed or removed so as not to interfere with Grantee's use of the easement area.

4. Payment: Grantor shall pay to the Grantee the full Time and Material Expenses incurred by the Grantee in performing services under this Agreement. For purposes of this Agreement, "Time and Material Expenses" shall consist of:

- a. Personnel costs-All wages (or prorated salary) and benefits (including, without limitation, vacation, holiday, overtime pay, and employer's share of state and federal employment taxes), as determined by the Grantee from time-to-time, for efforts expended by Grantee personnel under this Agreement.
- b. Actual expenses incurred by the Grantee for independent contractors, consultants, and other persons or companies performing some or all of the services called for under this Agreement.
- c. Usage and depreciation charges for Grantee vehicles and equipment used in performing services under this Agreement as such charges are determined and modified by the Grantee from time-to-time; and
- d. Actual expenses incurred by the Grantee for the purchase or rental of parts, tools, equipment, or other supplies used in performances described herein.

5. Billing: Grantor shall pay the Grantee the Time and Material Expenses within thirty (30) days of receipt of an invoice from the Grantee for said amount. Amounts not paid after said thirty (30) days may be assessed as a special charge against the property pursuant to Section 66.0627 of the Wisconsin Statutes. Upon Grantor's failure to pay any invoice for Time and Material Expenses, Grantee may, but is not required to, discontinue service under this Agreement.

6. Notice: The Grantee will attempt to notify Grantor orally at least one (1) business day prior to conducting routine maintenance or routine repairs under this Agreement. If the Grantee determines that emergency repairs are necessary, it will attempt to, but is not required to, notify Grantor prior to making said emergency repairs. Routine inspection and maintenance and emergency notices to Grantor under this Agreement shall be made to:

Name:	Thomas Ostrom
Telephone:	312-780-7406
Alternate Telephone No.:	312-462-4462

7. Approvals: Nothing in this Agreement shall be construed to require the Grantee to obtain Grantor's verbal or written permission prior to conducting inspections or repairs under this Agreement.

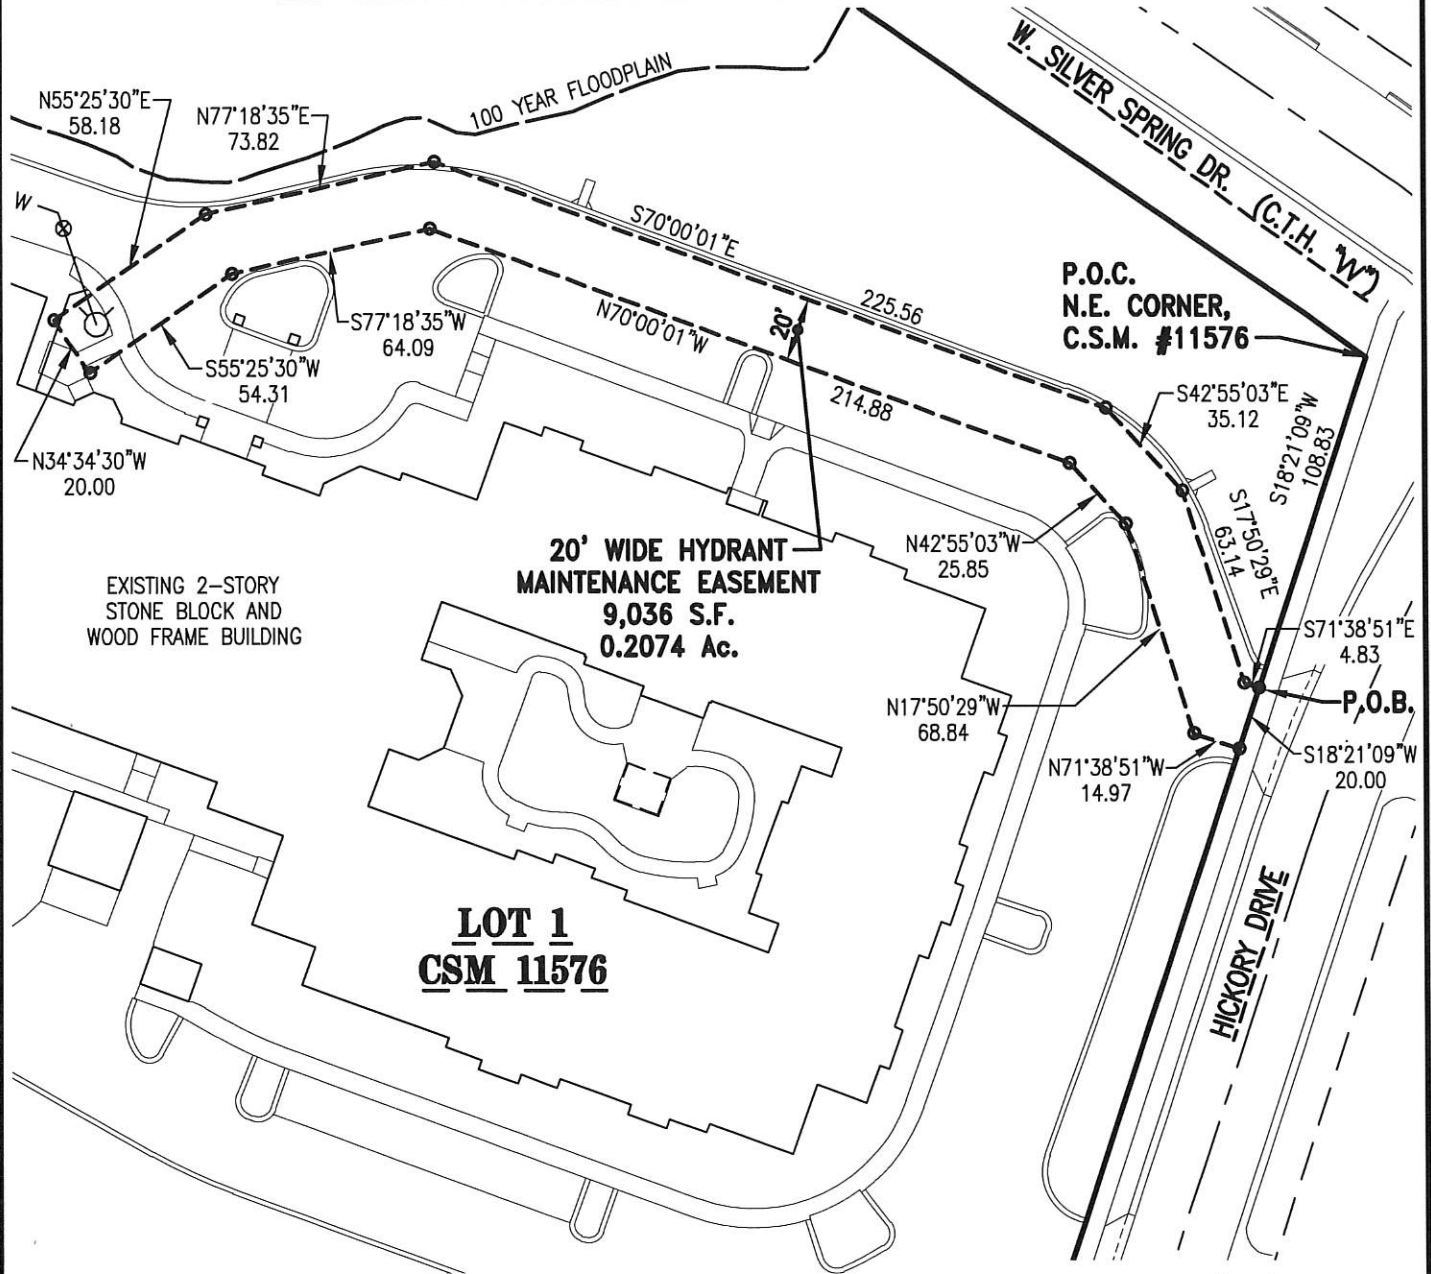

8. Indemnification: Grantor shall indemnify and hold the Grantee, its officers, agents, employees, contractors, and consultants harmless from any and all loss (including, but not limited to, expenses, damages, and legal fees) arising out of, or associated with, the Grantee's performance under this Agreement except to the extent such loss results directly from negligence or intentional wrongful acts of the Grantee, its officers, employees, agents, contractors, and/or consultants in the performance of this Agreement.

9. Insurance: Grantor acknowledges that Grantor is solely responsible for providing such insurance for its property as it deems appropriate, and the Grantee will not maintain insurance for Grantor's property and shall not be responsible for any loss or damage or any consequential loss or damage to Grantor's property.

10. Termination of Service: The Service shall continue in force and effect until such time as it is terminated by a party providing the other party with not less than sixty (60) days written notice prior to the requested termination date of the Service. In the event of termination of the Service by either party, Grantor

MEMORANDUM

To: Public Works Committee
From: Scott Ascher, Public Works Foreman
Date: August 31, 2022
Re: Flail Mower

The time has come to replace our 1997 New Holland Flail mower. This heavy-duty mower is used for the cutting of our right of ways, fields we own, and stormwater facilities such as ponds and ditches. Stormwater facilities have increased and will continue to increase as more development takes place here, as have the equipment needs. This new tractor will be equipped with a cab to keep bugs, dust, debris, and most importantly harmful allergens out. The tractor has been quoted with 2 mower decks verses the 3 we have now. This is due to the cost of the deck verses how much we use the 3rd deck.

3 quotes were gathered for tractor and mower packages, and they are as follows.

Case IH Vestrum tractor with Tiger Mowers: Farmers, Inc., Allenton	\$153,800.00
John Deere 6110 tractor with Tiger Mowers: Proven Power, Inc., Waukesha	\$144,578.93
John Deere 6110 tractor with Diamond Mowers: Mid-State Equipment, Jackson	\$141,042.00

The tractor from Proven Power is \$10,793.35 cheaper than the tractor from Mid-State and is in stock, although the mowers would likely not arrive until February. The unique option of the Tiger mower that the Diamond mower doesn't offer is that the rear mower can shift from the left to the right. This is very important for 2 reasons. 1 being that as the mower traverse's uneven terrain the operator can shift the rear deck to prevent the gouging of the ditch or pond. 2nd is the deck isn't hanging over to the right in transport mode, which is a big safety issue. The Tiger mowers have larger ground rollers on the decks, a heavier gauge metal shell, balanced cutter shaft, and Tiger uses both frame rails of the tractor to mount their decks that also integrates into the rear axle of the tractor preventing the snapping of axles.

Recommendation:

The replacement of the Flail Mower was in the 2022 Storm Water Utility Budget for \$130,000. The unprecedented inflationary price increases that have occurred in 2022 have caused most equipment prices to rise with further price increases for the mower coming in October and the tractor will go up another 14% in January. The Stormwater Utility depreciation fund has sufficient funds to cover the additional cost. Staff recommends purchasing the John Deere 6110 tractor and Tiger mower for Proven Power Inc. for \$144,578.93 prior to the October price increase on the mower.

Re: The Highlands Stormwater Easement

The Stormwater Easement from the Highlands Business Park (Brown Farm) is needed to ensure that the proposed drainage paths through the industrial section of the site are preserved as the site develops. The easements would typically be included on a Certified Survey Map, but we are not ready to split the Brown Farm any further at this time.

The eastern easement contains a large ditch that drains an area north of Richmond Road through the site to CTH K. This water will not enter the pond on Outlot 1. The easement along the north and west lot lines conveys the Redford Hills storm pond discharge and a second large ditch from a second area north of Richmond Road. This stormwater drains to the pond on Outlot 1.

The easement document contains standard language that matches easements we have in many other areas of the Village. Staff recommends that the Committee and Board approve the Easement.

STORM WATER EASEMENT

DOCUMENT NO.:

This Stormwater, Access, Ingress and Egress Easement, made between Sussex Corporate Park II LLC, a Wisconsin limited liability company, Grantor and the Village of Sussex, a Wisconsin Municipal Corporation and its heirs, successors, and assigns, Grantee.

Witnesseth, That Grantor, in exchange for \$1.00 and other good and valuable consideration, receipt and sufficiency of which is acknowledged, grants and warrants to Grantee a permanent exclusive stormwater easement upon, within, and beneath a part of Grantor's land hereinafter referred to as the "easement area" in Waukesha County, State of Wisconsin:

Said easement area is described as a strip of land of various widths being a part of the following described property:

The location of the easement area with respect to the Grantor's land is as shown on Exhibit "A" (which is attached hereto and hereby incorporated by reference).

- 1. Purpose: The purpose of this Easement is to install, operate, maintain, and replace underground and above ground stormwater utility facilities, together with all necessary and appurtenant equipment under and above the ground as deemed necessary by Grantee, all to transmit stormwater. Trees, bushes, branches, and roots may be trimmed or removed so as not to interfere with Grantee's use of the easement area.
2. Access: Grantee, and its employees, agents, and independent contractors shall have the right to enter upon the easement area for the purpose of exercising its rights in the easement area.
3. Buildings and Other Structures. Grantor agrees that no structures will be erected in the easement area, or in such close proximity to the facilities, such as to prevent Grantee from exercising its rights under this easement.
4. Elevation. Grantor agrees that the elevation of the existing ground surface within the easement area will not be altered by more than four (4) inches without the written consent of Grantee.
5. Restoration. Grantee agrees to restore or cause to have restored the Grantor's land to grade and replace sod or grass disturbed. This restoration, however, does not apply to the initial installation or to any trees, bushes, branches, or roots which may interfere with Grantee's use of the easement area.
6. Exercise of Rights: It is agreed that the complete exercise of rights herein conveyed may be gradual and not fully exercised until some time in the future, and that none of the rights herein granted shall be lost by non-use.

This Easement shall run with the land and shall be binding upon and inure to the benefit of and be enforceable by Grantor and Grantee and their respective heirs, personal representatives, successors and assigns.

Kelsey:

In confirmation of my telephone call, the **Sussex Sled Bugs Snowmobile Club, Inc.** would appreciate being on the agenda, for the above referenced meeting. Club representatives will plan to attend the meeting at the Civic Center on Tuesday, September 13, to meet the current Committee members and to answer any questions they might have.

We will send a copy of our Certificate of Liability Insurance to the Village when received from our agent.

The desired sections of property for the 2022-2023 snowmobile season remain the same properties that we were granted for use, in the 2021-2022 season.

If you have any questions or need any other information, please call me, (262) 617-1137.

Sincerely,

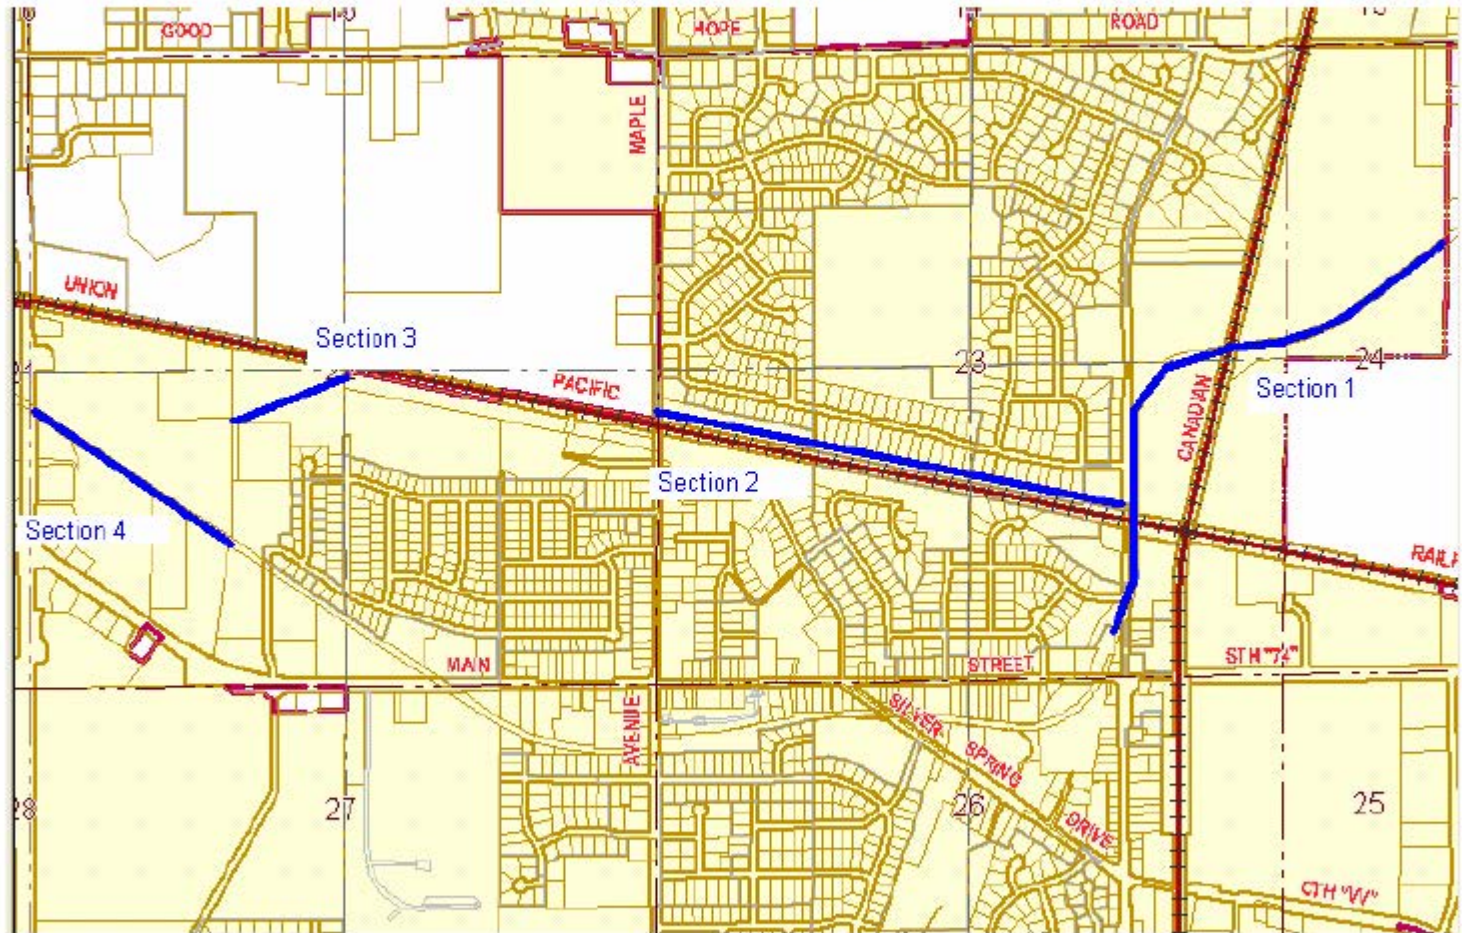

SUSSEX SLED BUGS SNOWMOBILE CLUB, INC.

MEMORANDUM

To: Village Board
From: Halie Dobbeck, Parks and Recreation Director

Re: Splash Pad Shade Structures

Background and Funding:

A drunk driver crashed into a play component in the Village Park playground in May of 2020. The damaged equipment was no longer usable, and we were allocated \$38,980 by insurance for the loss. We only get the funds if we use them for an authorized project prior to May 31, 2023. The Shade structures have been deemed by the insurance company to be an acceptable project. The Village received a \$5,000 Parks Grant in 2021 from the League of Wisconsin Municipalities Mutual Insurance and the Village could utilize \$10,090 from Park Impact fees to fully fund the \$54,070 project.

Proposal:

Staff has evaluated the needs of Village Park and has determined that shade structures at The Grove Splash Pad would enhance play and the park goer's experience and it is a highly requested item for the park that fits within the budgetary scope of the insurance payout.

A quote has been obtained for 3, SkyWays© 14'x22' shade structures that would be placed along the south side of the splash pad. These structures will mount behind the existing concrete and additional concrete would be installed by Village staff to the south of the structures to have a shade structure completely over concrete. Staff feel that these structures will adequately address the many requests and needs of the community for shade at the splash pad.

SkyWays© shade products are designed to the IBC 2015 building code and feature corrosion-resistant steel fastening hardware. The shade structure warranty is as follows: a 20-year warranty for all steel structures, 10-year warranty for fabric, and a 3-year warranty for all other parts. The structure features "rapid release technology" so that it can be removed in winter to protect from large snow loads. The fabric covering can withstand 105 mph winds and a snow load up to 5 pounds per square foot. If the fabric needed to be replaced after 10 years, it would cost roughly \$2,500 per structure for an estimated total of \$7,500 in fabric replacement costs. The lead time for this equipment is 20 weeks; the structures would be slated for install in Spring 2023.

The total cost of the shade structures is \$50,570 and will be covered by insurance payout, grant, and impact fees. The Village will add \$3,371 to the annual depreciation fund to allow for the shade structures eventual replacement.

9/8/22 Update:

Staff have discussed the scope of the project and have determined that the concrete work for the backside of the shade structures at an estimated square footage of roughly 2,250 ft can be done inhouse. The estimated cost of materials and equipment rentals is \$3,500 and that it would take roughly 80 hours of labor to complete the concrete installation.

The plan would be for the shade structure company to install the footers. Village staff would then install the pad and then the shade structure company would return to complete the installation.
